Digital Communication Opt-In
<p>We encourage all Owners to opt-in to digital communication from R-Ranch. Digital communication is more timely, efficient, and cost effective. We have moved to QuickBooks Online, which gives us the ability to email your invoice directly to you, making it easy to stay current on your account. Our newsletters look awesome in digital format with full color, and it doesn't cost us anything to send them via email, unlike the huge expense of sending them through the postal service. Additionally, we are excited to offer a digital election option this year as well. If you opt-in to digital communication, you will receive a unique email invitation to vote. You will be able to vote from any device with internet access, you will be able to view all relevant voting information in full color, and when you are done, you will receive a digital receipt that you can use to audit the voting process and ensure that your vote was entered and tallied correctly. With the digital communication option, you can also expect regular updates from Headquarters about upcoming meetings, events, closures, operating hours, and more. We hope you will accept our invitation to opt-in to digital communication. (The annual Owner's packet will continue to be mailed out every November.)</p>
