# INCIDENT REPORTING INSTRUCTIONS & EMERGENCY PROCEDURES

## EMERGENCY PROCEDURES

1. **ACTION:** Follow your written plan and take appropriate care of all injured persons.
2. **NOTICE:** Incidents can happen anywhere. Advising K&K as soon as practical after an incident occurs surrounding your event, regardless of the location of the incident or whether or not you feel you are responsible for the bodily injury or property damage, is essential. If appropriate, an adjuster will be assigned immediately.
3. **STATEMENT:** Do not make any statements regarding the cause of the accident. Give no opinions or conjectures to anyone other than your insurance company representative.  
**DO NOT ADMIT TO LIABILITY. DO NOT INFER OR PROMISE TO PAY. Use only the acceptable statement: "The accident is under investigation," NOTHING MORE!**
4. **INVESTIGATION:** Cooperate with your insurance company representative. Let this person make any and all conclusive investigations.
5. **WITNESSES:** Secure names, addresses and phone numbers (home and work) of witnesses as soon as possible after the accident. **NOTHING MORE!**
6. **WAIVER & RELEASE:** (If required) If insured person was in restricted area, locate signed Waiver and Release immediately and store in safe place. Send to the insurance company only by request and by registered mail. Retain photocopy of Waiver and Release for your file.
7. **LOCAL AUTHORITIES:** If the incident is investigated by local authorities, identify to K&K i.e. police, from what town, county and state.
8. **INCIDENT REPORT FORM:** Complete all information required and available within 24 hours. Minimum information should include facility name and address, date of accident, victim's name, address and phone number; family name and phone number if fatality; and the signature of the person that completed form.

**Mail ASAP – nothing can be handled by the insuring company without this information.**

**REMEMBER: NOTIFY K&K OF ALL INCIDENTS,  
NOT JUST THOSE CATASTROPHIC IN NATURE.**

## PREPARE FOR EMERGENCIES

1. Have a qualified person designated to make ALL private, public or media statements. Make all personnel aware that only the designated statement person inquires about a loss.
2. Make a separate qualified person designated for all emergency medical, fire and security operations.
3. Have adequate personnel on site: security, medical, and fire protection services and equipment. "Adequate" means proper and prudent for your anticipated attendance and event activity.
4. Have backup personnel and equipment, including backup power sources, in place to maintain event integrity.
5. Have a written crisis management plan that addresses all "worst scenario" situations, including evacuation.
6. Train and practice all emergency procedures.
7. If policy wording requires it, have adequate supplies of Waiver and Release forms. Have adequate accident reporting forms on site. Those who must sign a Waiver and Release form are those persons practicing and/or participating in any athletic event sponsored by you, as well as anyone entering a restricted area, which is generally defined as any area where admittance to the general public is prohibited.
8. Have the name and number of your Insurance Contact posted prominently. In case of a major spectator loss or fatality, K&K's 24-hour number is 260-459-5000. Have one person responsible for this call. Call K&K direct; do not rely on a Broker, etc. to relay the call.

## BACKGROUND SCREENING

### WHAT YOU DON'T KNOW CAN HURT THOSE IN YOUR CARE AND YOUR ORGANIZATION.

Adopting a solid screening and selection process is your first line of defense in creating a safe environment. A thorough, consistent screening process may also discourage would-be offenders from targeting your organization. Failure to discover a known offender can affect those in your care and the organization's reputation, financial stability, and trust within the community. Who you should screen can depend on many factors, such as if the person is a new full-time hire, a season hire, or even a current employee. In determining the types of checks to utilize, organizations should follow all state, federal, and licensing regulations and consider an individual's level of access. Level of access may be influenced by:

- **Frequency**: How frequently does the individual work around or interact with consumers? Is it a one-time event or every day?
- **Duration**: What is the duration of the individual's interactions? Is it a one-time, one-hour event or an entire summer?
- **Level of Supervision**: Are the individual's interactions always supervised by another adult or are they one-on-one with consumers?
- **Nature of the Relationship**: What is the nature of the relationship between the individual and the consumers in the program? Does the individual merely supervise an area during an event that has consumers, or are they getting to know individual consumers and families while counseling, tutoring, or providing more intimate, personal care services?

## FOUR ELEMENTS FOR A THOROUGH BUT COST EFFECTIVE BACKGROUND CHECK:

- **Check Facts:** Aliases, DOBs, and address history all drive research and help to paint a complete picture.
- **Search Wide:** Multi State criminal and national sex offender databases will identify the unexpected.
- **Search Deep:** Targeted county level searches will give real-time information where records are most likely to be found.
- **Ask Questions:** References can provide insights on behavior and clues to non-criminal boundary issues.

## WHO SHOULD YOU SCREEN, AND HOW OFTEN?

- **New Hires/Volunteers:** A thorough, consistently applied background screening process at the time of hire is your first and best opportunity to identify the problem.
- **Seasonal Hires/Volunteers:** Seasonal staff present a unique risk because you don't see them for months at a time, but it's often not practical to complete a full new hire process each season. An annual check-in plan is key.
- **Re-Screening:** Conducting targeted checks on your full-time employees at least every 3 years helps you identify issues before they impact your organization.

## BACKGROUND SCREENING FOR AIG PROGRAMS INSURED

Praesidium offers a selection of background screening packages plus a la carte services to empower your organization to conduct right-sized research. Praesidium's team can also help you understand who to screen, how often, and the importance of re-screening.

In addition to Background Screening - you can now access **Praesidium Academy** to add further training on maintaining professional boundaries and abuse prevention. Praesidium Academy Online Training includes supporting tools that enhance both the short and long term effectiveness of the training experience and produce sustainable changes in employee and volunteer behavior. **Access to this system is free to AIG Programs Insureds.**

### **Taxes, Assessments and/or Surcharges**

The taxes, assessments and/or surcharges shown on the declarations page or any premium schedule are collected on behalf of the applicable State(s) and in accordance with such State's laws and regulations. The payment of these taxes, assessments and/or surcharges is the responsibility of the Named Insured. In the event the applicable State implements a new tax, assessment and/or surcharge or increases such tax, assessment and/or surcharge during the term of this policy, the Named Insured shall remain responsible for the payment of all amounts due under the policy, including those newly implemented or increased taxes, assessments and/or surcharges.

Any newly implemented or increased taxes, assessments and/or surcharges shall apply on the effective date dictated by the applicable State regardless:

1. Of when the Insurance Company implements the new or increased tax, assessment or surcharge into its systems; or
2. If the Insurance Company recalculates the Named Insured's premium in accordance with the policy's terms and conditions as part of a premium audit after the end of the policy period.

## **IMPORTANT NOTICE:**

- 1. The insurance policy that you have purchased is being issued by an insurer that is not licensed by the State of California. These companies are called “nonadmitted” or “surplus line” insurers.**
- 2. The insurer is not subject to the financial solvency regulation and enforcement that apply to California licensed insurers.**
- 3. The insurer does not participate in any of the insurance guarantee funds created by California law. Therefore, these funds will not pay your claims or protect your assets if the insurer becomes insolvent and is unable to make payments as promised.**
- 4. The insurer should be licensed either as a foreign insurer in another state in the United States or as a non-United States (alien) insurer. You should ask questions of your insurance agent, broker, or “surplus line” broker or contact the California Department of Insurance at the toll-free number 1-800-927-4357 or internet website [www.insurance.ca.gov](http://www.insurance.ca.gov). Ask whether or not the insurer is licensed as a foreign or non-United States (alien) insurer and for additional information about the insurer. You may also visit the NAIC’s internet website at [www.naic.org](http://www.naic.org). The NAIC—the National Association of Insurance Commissioners—is the regulatory support organization created and governed by the chief insurance regulators in the United States.**
- 5. Foreign insurers should be licensed by a state in the United States and you may contact that state’s department of insurance to obtain more information about that insurer. You can find a link to each state from this NAIC internet website: [https://naic.org/state\\_web\\_map.htm](https://naic.org/state_web_map.htm).**

**6. For non-United States (alien) insurers, the insurer should be licensed by a country outside of the United States and should be on the NAIC's International Insurers Department (IID) listing of approved nonadmitted non-United States insurers. Ask your agent, broker, or "surplus line" broker to obtain more information about that insurer.**

**7. California maintains a "List of Approved Surplus Line Insurers (LASLI)." Ask your agent or broker if the insurer is on that list, or view that list at the internet website of the California Department of Insurance: [www.insurance.ca.gov/01-consumers/120-company/07-lasli/lasli.cfm](http://www.insurance.ca.gov/01-consumers/120-company/07-lasli/lasli.cfm).**

**8. If you, as the applicant, required that the insurance policy you have purchased be effective immediately, either because existing coverage was going to lapse within two business days or because you were required to have coverage within two business days, and you did not receive this disclosure form and a request for your signature until after coverage became effective, you have the right to cancel this policy within five days of receiving this disclosure. If you cancel coverage, the premium will be prorated and any broker's fee charged for this insurance will be returned to you.**

## TERRORISM EXCLUSION – CERTIFIED AND NON-CERTIFIED ACTS ENDORSEMENT

This endorsement modifies insurance provided by the Policy:

### I. Certified Acts of Terrorism Exclusion

This insurance does not apply to any loss, injury, damage, claim or suit, arising directly or indirectly as a result of a **certified act of terrorism** as defined in the Terrorism Risk Insurance Act of 2002, as amended (hereinafter, "TRIA") regardless of any other cause or event contributing concurrently or in any sequence with a **certified act of terrorism**.

**Certified act of terrorism** means any act that is certified by the Secretary of the Treasury, in consultation with the Secretary of Homeland Security, and the Attorney General of the United States:

- A. to be an act of terrorism;
- B. to be a violent act or an act that is dangerous to:
  - 1. human life;
  - 2. property; or
  - 3. infrastructure;
- C. to have resulted in damage within the United States, or outside of the United States in the case of:
  - 1. an air carrier or vessel described in TRIA; or
  - 2. the premises of a United States mission; and
- D. to have been committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.

### II. Non-Certified Acts of Terrorism Exclusion

This insurance does not apply to any loss, injury, damage, claim or suit, arising directly or indirectly as a result of a **non-certified act of terrorism** regardless of any other cause or event contributing concurrently or in any sequence with a **non-certified act of terrorism**.

- A. **Non-certified act of terrorism** means any act that is not a **certified act of terrorism** as defined herein and:
  - 1. involves the use of force or violence against person or property; or
  - 2. is dangerous to human life or property; or
  - 3. interferes with or disrupts an electronic or communication system; and
  - 4. is undertaken by any group or person, whether or not acting on behalf of or in any connection with any organization, government, power, authority or military force, when the effect is to intimidate, coerce or harm:
    - a. a government;
    - b. the civilian population of a country, state or community; or
    - c. to disrupt the economy of a country, state or community.
- B. However, the exclusion provided under Subsection II.A. only applies when one or more of the following are attributed to an incident of a **non-certified act of terrorism**.

1. The **non-certified act of terrorism** involves the actual, alleged or threatened use, release, escape, dispersal, application and/or existence of:
  - a. Any nuclear reaction;
  - b. Radioactive materials or **nuclear materials** in any form and from any source;
  - c. Radionuclides;
  - d. Radiation emitted from any radioactive source whether natural or manmade; and/or
  - e. Electromagnetic pulses; or

3. The total insured industry-wide losses exceed \$25,000,000. In determining whether the \$25,000,000 threshold is exceeded, the Company will include all insured industry-wide loss or damage sustained by all persons and entities affected by the **non-certified act of terrorism**. For the purpose of this provision, insured industry-wide loss or damage means loss or damage that is covered by any insurance plus damage that would be covered by any insurance but for the application of any terrorism exclusions.

Multiple incidents of **non-certified acts of terrorism** which occur within a 72-hour period and objectively appear to be carried out in concert or to have a related purpose or common leadership will be deemed to be one incident, for the purpose of determining whether the thresholds in this Subsection **II.B.3.** are met.
4. With respect to commercial liability policies, fifty or more persons sustain death or serious physical injury. For purposes of this provision, serious physical injury means:
  - a. Physical injury that involves substantial risk of death; or
  - b. Protracted and obvious physical disfigurement; or
  - c. Protracted loss of or impairment of the function of a bodily member or organ.

**III. With respect to commercial property policies:**

- A. If a **certified act of terrorism** or **non-certified act of terrorism** (hereinafter, collectively an **act of terrorism**) results in an ensuing fire, this Policy covers such loss or damage caused by such fire following, subject to the Policy's terms and conditions, but only if the covered property insured hereunder is located in a state of the United States, the District of Columbia, Puerto Rico or a territory or possession of the United States that, pursuant to an applicable standard fire policy statute, regulation or other law, prohibits the exclusion of fire following an **act of terrorism**. Such coverage for fire following an **act of terrorism** applies only to direct physical loss or damage to covered property insured hereunder, and to no other coverage provided by the Policy.
- B. Notwithstanding Subsection **III.A.** above, to the extent not prohibited by the law of the jurisdiction to which this Policy is subject, this Policy does not cover fire following an **act of terrorism** that involves the actual, alleged or threatened use, release, escape, dispersal, application and/or existence of any nuclear reaction; radioactive materials or **nuclear materials** in any form and from any source; radionuclides; radiation emitted from any radioactive source whether natural or manmade; electromagnetic pulses; and/or pathogenic or poisonous chemical or **biological** materials, whether natural, manmade, living or dead.
- C. Notwithstanding any other valuation provision of this Policy to the contrary, any covered property insured hereunder that sustains loss or damage due to fire following an **act of terrorism**, covered pursuant to Subsection **III.A.** above, shall be valued at Actual Cash Value at the time and place of the loss.

**IV. Application of Other Exclusions**

The terms and limitations of any terrorism exclusion, or the inapplicability or omission of a terrorism exclusion, do not serve to create coverage for any loss or damage which would otherwise be excluded under this Policy, such as losses excluded by a nuclear exclusion, pollution exclusion or war exclusion.

**V. Definitions:** The following definitions apply to this endorsement:

- A. Nuclear materials** means **source material**, **special nuclear material** or **by-product material**. **Source material**, **special nuclear material**, and **by-product material** have the meanings given them in the Atomic Energy Act of 1954 or in any law amendatory thereof.
- B. Biological** materials include all microorganisms, viruses, rickettsia, prions, nucleic acids, toxins, toxin- producing agents, and poisons produced by biological organisms.

All other terms and conditions of the Policy remain the same.

"Spent fuel" means any fuel element or fuel component, solid or liquid, which has been used or exposed to radiation in a "nuclear reactor".

"Waste" means any waste material **(a)** containing "by-product material" other than the tailings or wastes produced by the extraction or concentration of uranium or thorium from any ore processed primarily for its "source material" content, and **(b)** resulting from the operation by any person or organization of any "nuclear facility" included under the first two paragraphs of the definition of "nuclear facility".

"Nuclear facility" means:

- (a)** Any "nuclear reactor";
- (b)** Any equipment or device designed or used for **(1)** separating the isotopes of uranium or plutonium, **(2)** processing or utilizing "spent fuel", or **(3)** handling, processing or packaging "waste";

**(c)** Any equipment or device used for the processing, fabricating or alloying of "special nuclear material" if at any time the total amount of such material in the custody of the "insured" at the premises where such equipment or device is located consists of or contains more than 25 grams of plutonium or uranium 233 or any combination thereof, or more than 250 grams of uranium 235;

**(d)** Any structure, basin, excavation, premises or place prepared or used for the storage or disposal of "waste";

and includes the site on which any of the foregoing is located, all operations conducted on such site and all premises used for such operations.

"Nuclear reactor" means any apparatus designed or used to sustain nuclear fission in a self-supporting chain reaction or to contain a critical mass of fissionable material.

"Property damage" includes all forms of radioactive contamination of property.

**A.** Paragraphs **2.** and **3.** of the **Cancellation** Common Policy Condition are replaced by the following:

### **2. All Policies In Effect For 60 Days Or Less**

If this policy has been in effect for 60 days or less, and is not a renewal of a policy we have previously issued, we may cancel this policy by mailing or delivering to the first Named Insured, at the mailing address shown in the policy, and to the producer of record, advance written notice of cancellation, stating the reason for cancellation, at least:

**a.** 10 days before the effective date of cancellation if we cancel for:

**(1)** Nonpayment of premium; or

**(2)** Discovery of fraud by:

**(a)** Any insured or his or her representative in obtaining this insurance; or

**(b)** You or your representative in pursuing a claim under this policy.

**b.** 30 days before the effective date of cancellation if we cancel for any other reason.

### **3. All Policies In Effect For More Than 60 Days**

**a.** If this policy has been in effect for more than 60 days, or is a renewal of a policy we issued, we may cancel this policy only upon the occurrence, after the effective date of the policy, of one or more of the following:

**(1)** Nonpayment of premium, including payment due on a prior policy we issued and due during the current policy term covering the same risks.

**(2)** Discovery of fraud or material misrepresentation by:

**(a)** Any insured or his or her representative in obtaining this insurance; or

**(b)** You or your representative in pursuing a claim under this policy.

**(3)** A judgment by a court or an administrative tribunal that you have violated a California or Federal law, having as one of its necessary elements an act which materially increases any of the risks insured against.

**(4)** Discovery of willful or grossly negligent acts or omissions, or of any violations of state laws or regulations establishing safety standards, by you or your representative, which materially increase any of the risks insured against.

**(5)** Failure by you or your representative to implement reasonable loss control requirements, agreed to by you as a condition of policy issuance, or which were conditions precedent to our use of a particular rate or rating plan, if that failure materially increases any of the risks insured against.

(6) A determination by the Commissioner of Insurance that the:

(a) Loss of, or changes in, our reinsurance covering all or part of the risk would threaten our financial integrity or solvency; or

(b) Continuation of the policy coverage would:

(i) Place us in violation of California law or the laws of the state where we are domiciled; or

(ii) Threaten our solvency.

(7) A change by you or your representative in the activities or property of the commercial or industrial enterprise, which results in a materially added, increased or changed risk, unless the added, increased or changed risk is included in the policy.

b. We will mail or deliver advance written notice of cancellation, stating the reason for cancellation, to the first Named Insured, at the mailing address shown in the policy, and to the producer of record, at least:

(1) 10 days before the effective date of cancellation if we cancel for nonpayment of premium or discovery of fraud; or

(2) 30 days before the effective date of cancellation if we cancel for any other reason listed in Paragraph 3.a.

B. The following provision is added to the **Cancellation** Common Policy Condition:

#### 7. Residential Property

This provision applies to coverage on real property which is used predominantly for residential purposes and consisting of not more than four dwelling units, and to coverage on tenants' household personal property in a residential unit, if such coverage is written under one of the following:

Commercial Property Coverage Part

Farm Coverage Part – Farm Property – Farm Dwellings, Appurtenant Structures And Household Personal Property Coverage Form

a. If such coverage has been in effect for 60 days or less, and is not a renewal of coverage we previously issued, we may cancel this coverage for any reason, except as provided in b. and c. below.

b. We may not cancel this policy solely because the first Named Insured has:

(1) Accepted an offer of earthquake coverage; or

(2) Cancelled or did not renew a policy issued by the California Earthquake Authority (CEA) that included an earthquake policy premium surcharge.

However, we shall cancel this policy if the first Named Insured has accepted a new or renewal policy issued by the CEA that includes an earthquake policy premium surcharge but fails to pay the earthquake policy premium surcharge authorized by the CEA.

c. We may not cancel such coverage solely because corrosive soil conditions exist on the premises. This restriction (c.) applies only if coverage is subject to one of the following, which exclude loss or damage caused by or resulting from corrosive soil conditions:

(1) Commercial Property Coverage Part – Causes Of Loss – Special Form; or

(2) Farm Coverage Part – Causes Of Loss Form – Farm Property, Paragraph D. Covered Causes Of Loss – Special.

d. If a state of emergency under California Law is declared and the residential property is located in any ZIP Code within or adjacent to the fire perimeter, as determined by California Law, we may not cancel this policy for one year, beginning from the date the state of emergency is declared, solely because the dwelling or other structure is located in an area in which a wildfire has occurred. However, we may cancel:

(1) When you have not paid the premium, at any time by letting you know at least 10 days before the date cancellation takes effect;

(2) If willful or grossly negligent acts or omissions by the Named Insured, or his or her representatives, are discovered that materially increase any of the risks insured against; or

(3) If there are physical changes in the property insured against, beyond the catastrophe-damaged condition of the structures and surface landscape, which result in the property becoming uninsurable.

C. The following is added and supersedes any provisions to the contrary:

#### Nonrenewal

1. Subject to the provisions of Paragraphs C.2. and C.3. below, if we elect not to renew this policy, we will mail or deliver written notice, stating the reason for nonrenewal, to the first Named Insured shown in the Declarations, and to the producer of record, at least 60 days, but not more than 120 days, before the expiration or anniversary date.

We will mail or deliver our notice to the first Named Insured, and to the producer of record, at the mailing address shown in the policy.

## 2. Residential Property

This provision applies to coverage on real property used predominantly for residential purposes and consisting of not more than four dwelling units, and to coverage on tenants' household property contained in a residential unit, if such coverage is written under one of the following:

Commercial Property Coverage Part

Farm Coverage Part – Farm Property – Farm Dwellings, Appurtenant Structures And Household Personal Property Coverage Form

- a. If this policy provides coverage as described in the preceding paragraph, and we elect not to renew this policy, we will mail or deliver written notice, stating the reason for nonrenewal, to the first Named Insured shown in the Declarations, and to the producer of record, at the mailing address shown in the policy, at least 75 days, but not more than 120 days, before the expiration or anniversary date.

If we fail to give the first Named Insured shown in the Declarations notice of nonrenewal at least 75 days prior to the policy expiration, as required in the paragraph above, this policy, with no change in its terms and conditions, shall remain in effect for 75 days from the date that the notice of nonrenewal is delivered or mailed to the Named Insured. A notice to this effect shall be provided by us to the first Named Insured with the notice of nonrenewal.

- b. We may elect not to renew such coverage for any reason, except as provided in Paragraphs c., d. and e. below.
- c. We will not refuse to renew such coverage solely because the first Named Insured has accepted an offer of earthquake coverage.

However, the following applies only to insurers who are associate participating insurers as established by Cal. Ins. Code Section 10089.16. We may elect not to renew such coverage after the first Named Insured has accepted an offer of earthquake coverage, if one or more of the following reasons applies:

- (1) The nonrenewal is based on sound underwriting principles that relate to the coverages provided by this policy and that are consistent with the approved rating plan and related documents filed with the Department of Insurance as required by existing law;

- (2) The Commissioner of Insurance finds that the exposure to potential losses will threaten our solvency or place us in a hazardous condition. A hazardous condition includes, but is not limited to, a condition in which we make claims payments for losses resulting from an earthquake that occurred within the preceding two years and that required a reduction in policyholder surplus of at least 25% for payment of those claims; or

- (3) We have:

- (a) Lost or experienced a substantial reduction in the availability or scope of reinsurance coverage; or
- (b) Experienced a substantial increase in the premium charged for reinsurance coverage of our residential property insurance policies; and

the Commissioner has approved a plan for the nonrenewals that is fair and equitable, and that is responsive to the changes in our reinsurance position.

- d. We will not refuse to renew such coverage solely because the first Named Insured has cancelled or did not renew a policy, issued by the California Earthquake Authority, that included an earthquake policy premium surcharge.
- e. We will not refuse to renew such coverage solely because corrosive soil conditions exist on the premises. This restriction (e.) applies only if coverage is subject to one of the following, which exclude loss or damage caused by or resulting from corrosive soil conditions:
- (1) Commercial Property Coverage Part – Causes Of Loss – Special Form; or
- (2) Farm Coverage Part – Causes Of Loss Form – Farm Property, Paragraph D. Covered Causes Of Loss – Special.
- f. If a state of emergency under California Law is declared and the residential property is located in any ZIP Code within or adjacent to the fire perimeter, as determined by California Law, we may not nonrenew this policy for one year, beginning from the date the state of emergency is declared, solely because the dwelling or other structure is located in an area in which a wildfire has occurred.

However, we may nonrenew:

- (1) If willful or grossly negligent acts or omissions by the Named Insured, or his or her representatives, are discovered that materially increase any of the risks insured against;

- (2) If losses unrelated to the postdisaster loss condition of the property have occurred that would collectively render the risk ineligible for renewal; or
  - (3) If there are physical changes in the property insured against, beyond the catastrophe-damaged condition of the structures and surface landscape, which result in the property becoming uninsurable.
3. We are not required to send notice of nonrenewal in the following situations:
- a. If the transfer or renewal of a policy, without any changes in terms, conditions or rates, is between us and a member of our insurance group.
  - b. If the policy has been extended for 90 days or less, provided that notice has been given in accordance with Paragraph C.1.
  - c. If you have obtained replacement coverage, or if the first Named Insured has agreed, in writing, within 60 days of the termination of the policy, to obtain that coverage.
  - d. If the policy is for a period of no more than 60 days and you are notified at the time of issuance that it will not be renewed.
  - e. If the first Named Insured requests a change in the terms or conditions or risks covered by the policy within 60 days of the end of the policy period.
  - f. If we have made a written offer to the first Named Insured, in accordance with the timeframes shown in Paragraph C.1., to renew the policy under changed terms or conditions or at an increased premium rate, when the increase exceeds 25%.

# COMMERCIAL GENERAL LIABILITY COVERAGE FORM

Various provisions in this policy restrict coverage. Read the entire policy carefully to determine rights, duties and what is and is not covered.

Throughout this policy the words "you" and "your" refer to the Named Insured shown in the Declarations, and any other person or organization qualifying as a Named Insured under this policy. The words "we", "us" and "our" refer to the company providing this insurance.

The word "insured" means any person or organization qualifying as such under Section II – Who Is An Insured.

Other words and phrases that appear in quotation marks have special meaning. Refer to Section V – Definitions.

## SECTION I – COVERAGES

### COVERAGE A – BODILY INJURY AND PROPERTY DAMAGE LIABILITY

#### 1. Insuring Agreement

- a. We will pay those sums that the insured becomes legally obligated to pay as damages because of "bodily injury" or "property damage" to which this insurance applies. We will have the right and duty to defend the insured against any "suit" seeking those damages. However, we will have no duty to defend the insured against any "suit" seeking damages for "bodily injury" or "property damage" to which this insurance does not apply. We may, at our discretion, investigate any "occurrence" and settle any claim or "suit" that may result. But:

- (1) The amount we will pay for damages is limited as described in Section III – Limits Of Insurance; and
- (2) Our right and duty to defend ends when we have used up the applicable limit of insurance in the payment of judgments or settlements under Coverages A or B or medical expenses under Coverage C.

No other obligation or liability to pay sums or perform acts or services is covered unless explicitly provided for under Supplementary Payments – Coverages A and B.

- b. This insurance applies to "bodily injury" and "property damage" only if:

- (1) The "bodily injury" or "property damage" is caused by an "occurrence" that takes place in the "coverage territory";

- (2) The "bodily injury" or "property damage" occurs during the policy period; and

- (3) Prior to the policy period, no insured listed under Paragraph 1. of Section II – Who Is An Insured and no "employee" authorized by you to give or receive notice of an "occurrence" or claim, knew that the "bodily injury" or "property damage" had occurred, in whole or in part. If such a listed insured or authorized "employee" knew, prior to the policy period, that the "bodily injury" or "property damage" occurred, then any continuation, change or resumption of such "bodily injury" or "property damage" during or after the policy period will be deemed to have been known prior to the policy period.

- c. "Bodily injury" or "property damage" which occurs during the policy period and was not, prior to the policy period, known to have occurred by any insured listed under Paragraph 1. of Section II – Who Is An Insured or any "employee" authorized by you to give or receive notice of an "occurrence" or claim, includes any continuation, change or resumption of that "bodily injury" or "property damage" after the end of the policy period.

- d. "Bodily injury" or "property damage" will be deemed to have been known to have occurred at the earliest time when any insured listed under Paragraph 1. of Section II – Who Is An Insured or any "employee" authorized by you to give or receive notice of an "occurrence" or claim:

- (1) Reports all, or any part, of the "bodily injury" or "property damage" to us or any other insurer;
- (2) Receives a written or verbal demand or claim for damages because of the "bodily injury" or "property damage"; or
- (3) Becomes aware by any other means that "bodily injury" or "property damage" has occurred or has begun to occur.

- e. Damages because of "bodily injury" include damages claimed by any person or organization for care, loss of services or death resulting at any time from the "bodily injury".

## 2. Exclusions

This insurance does not apply to:

### a. Expected Or Intended Injury

"Bodily injury" or "property damage" expected or intended from the standpoint of the insured. This exclusion does not apply to "bodily injury" resulting from the use of reasonable force to protect persons or property.

### b. Contractual Liability

"Bodily injury" or "property damage" for which the insured is obligated to pay damages by reason of the assumption of liability in a contract or agreement. This exclusion does not apply to liability for damages:

- (1) That the insured would have in the absence of the contract or agreement; or
- (2) Assumed in a contract or agreement that is an "insured contract", provided the "bodily injury" or "property damage" occurs subsequent to the execution of the contract or agreement. Solely for the purposes of liability assumed in an "insured contract", reasonable attorneys' fees and necessary litigation expenses incurred by or for a party other than an insured are deemed to be damages because of "bodily injury" or "property damage", provided:
  - (a) Liability to such party for, or for the cost of, that party's defense has also been assumed in the same "insured contract"; and
  - (b) Such attorneys' fees and litigation expenses are for defense of that party against a civil or alternative dispute resolution proceeding in which damages to which this insurance applies are alleged.

### c. Liquor Liability

"Bodily injury" or "property damage" for which any insured may be held liable by reason of:

- (1) Causing or contributing to the intoxication of any person;
- (2) The furnishing of alcoholic beverages to a person under the legal drinking age or under the influence of alcohol; or
- (3) Any statute, ordinance or regulation relating to the sale, gift, distribution or use of alcoholic beverages.

This exclusion applies even if the claims against any insured allege negligence or other wrongdoing in:

- (a) The supervision, hiring, employment, training or monitoring of others by that insured; or
- (b) Providing or failing to provide transportation with respect to any person that may be under the influence of alcohol;

if the "occurrence" which caused the "bodily injury" or "property damage", involved that which is described in Paragraph (1), (2) or (3) above.

However, this exclusion applies only if you are in the business of manufacturing, distributing, selling, serving or furnishing alcoholic beverages. For the purposes of this exclusion, permitting a person to bring alcoholic beverages on your premises, for consumption on your premises, whether or not a fee is charged or a license is required for such activity, is not by itself considered the business of selling, serving or furnishing alcoholic beverages.

### d. Workers' Compensation And Similar Laws

Any obligation of the insured under a workers' compensation, disability benefits or unemployment compensation law or any similar law.

### e. Employer's Liability

"Bodily injury" to:

- (1) An "employee" of the insured arising out of and in the course of:
  - (a) Employment by the insured; or
  - (b) Performing duties related to the conduct of the insured's business; or
- (2) The spouse, child, parent, brother or sister of that "employee" as a consequence of Paragraph (1) above.

This exclusion applies whether the insured may be liable as an employer or in any other capacity and to any obligation to share damages with or repay someone else who must pay damages because of the injury.

This exclusion does not apply to liability assumed by the insured under an "insured contract".

**f. Pollution**

- (1) "Bodily injury" or "property damage" arising out of the actual, alleged or threatened discharge, dispersal, seepage, migration, release or escape of "pollutants":

  - (a) At or from any premises, site or location which is or was at any time owned or occupied by, or rented or loaned to, any insured. However, this subparagraph does not apply to:

    - (i) "Bodily injury" if sustained within a building and caused by smoke, fumes, vapor or soot produced by or originating from equipment that is used to heat, cool or dehumidify the building, or equipment that is used to heat water for personal use, by the building's occupants or their guests;
    - (ii) "Bodily injury" or "property damage" for which you may be held liable, if you are a contractor and the owner or lessee of such premises, site or location has been added to your policy as an additional insured with respect to your ongoing operations performed for that additional insured at that premises, site or location and such premises, site or location is not and never was owned or occupied by, or rented or loaned to, any insured, other than that additional insured; or
    - (iii) "Bodily injury" or "property damage" arising out of heat, smoke or fumes from a "hostile fire";
  - (b) At or from any premises, site or location which is or was at any time used by or for any insured or others for the handling, storage, disposal, processing or treatment of waste;
  - (c) Which are or were at any time transported, handled, stored, treated, disposed of, or processed as waste by or for:

    - (i) Any insured; or
    - (ii) Any person or organization for whom you may be legally responsible; or
  - (d) At or from any premises, site or location on which any insured or any contractors or subcontractors working directly or indirectly on any insured's behalf are performing operations if the "pollutants" are brought on or to the premises, site or location in connection with such operations by such insured, contractor or subcontractor. However, this subparagraph does not apply to:

    - (i) "Bodily injury" or "property damage" arising out of the escape of fuels, lubricants or other operating fluids which are needed to perform the normal electrical, hydraulic or mechanical functions necessary for the operation of "mobile equipment" or its parts, if such fuels, lubricants or other operating fluids escape from a vehicle part designed to hold, store or receive them. This exception does not apply if the "bodily injury" or "property damage" arises out of the intentional discharge, dispersal or release of the fuels, lubricants or other operating fluids, or if such fuels, lubricants or other operating fluids are brought on or to the premises, site or location with the intent that they be discharged, dispersed or released as part of the operations being performed by such insured, contractor or subcontractor;
    - (ii) "Bodily injury" or "property damage" sustained within a building and caused by the release of gases, fumes or vapors from materials brought into that building in connection with operations being performed by you or on your behalf by a contractor or subcontractor; or
    - (iii) "Bodily injury" or "property damage" arising out of heat, smoke or fumes from a "hostile fire".
  - (e) At or from any premises, site or location on which any insured or any contractors or subcontractors working directly or indirectly on any insured's behalf are performing operations if the operations are to test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of, "pollutants".

(2) Any loss, cost or expense arising out of any:

- (a) Request, demand, order or statutory or regulatory requirement that any insured or others test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of, "pollutants"; or
- (b) Claim or suit by or on behalf of a governmental authority for damages because of testing for, monitoring, cleaning up, removing, containing, treating, detoxifying or neutralizing, or in any way responding to, or assessing the effects of, "pollutants".

However, this paragraph does not apply to liability for damages because of "property damage" that the insured would have in the absence of such request, demand, order or statutory or regulatory requirement, or such claim or "suit" by or on behalf of a governmental authority.

#### **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS**

##### **1. Bankruptcy**

Bankruptcy or insolvency of the insured or of the insured's estate will not relieve us of our obligations under this Coverage Part.

##### **2. Duties In The Event Of Occurrence, Offense, Claim Or Suit**

- a. You must see to it that we are notified as soon as practicable of an "occurrence" or an offense which may result in a claim. To the extent possible, notice should include:

  - (2) Notify us as soon as practicable.

You must see to it that we receive written notice of the claim or "suit" as soon as practicable.
- c. You and any other involved insured must:
  - (1) Immediately send us copies of any demands, notices, summonses or legal papers received in connection with the claim or "suit";
  - (2) Authorize us to obtain records and other information;

  - (4) Assist us, upon our request, in the enforcement of any right against any person or organization which may be liable to the insured because of injury or damage to which this insurance may also apply.
- d. No insured will, except at that insured's own cost, voluntarily make a payment, assume any obligation, or incur any expense, other than for first aid, without our consent.

##### **3. Legal Action Against Us**

No person or organization has a right under this Coverage Part:

- a. To join us as a party or otherwise bring us into a "suit" asking for damages from an insured; or
- b. To sue us on this Coverage Part unless all of its terms have been fully complied with.

A person or organization may sue us to recover on an agreed settlement or on a final judgment against an insured; but we will not be liable for damages that are not payable under the terms of this Coverage Part or that are in excess of the applicable limit of insurance. An agreed settlement means a settlement and release of liability signed by us, the insured and the claimant or the claimant's legal representative.

#### 4. Other Insurance

If other valid and collectible insurance is available to the insured for a loss we cover under Coverages **A** or **B** of this Coverage Part, our obligations are limited as follows:

##### a. Primary Insurance

This insurance is primary except when Paragraph **b.** below applies. If this insurance is primary, our obligations are not affected unless any of the other insurance is also primary. Then, we will share with all that other insurance by the method described in Paragraph **c.** below.

##### b. Excess Insurance

(1) This insurance is excess over:

(a) Any of the other insurance, whether primary, excess, contingent or on any other basis:

(i) That is Fire, Extended Coverage, Builder's Risk, Installation Risk or similar coverage for "your work";

(ii) That is Fire insurance for premises rented to you or temporarily occupied by you with permission of the owner;

(iii) That is insurance purchased by you to cover your liability as a tenant for "property damage" to premises rented to you or temporarily occupied by you with permission of the owner; or

(iv) If the loss arises out of the maintenance or use of aircraft, "autos" or watercraft to the extent not subject to Exclusion **g.** of Section **I** – Coverage **A** – Bodily Injury And Property Damage Liability.

(b) Any other primary insurance available to you covering liability for damages arising out of the premises or operations, or the products and completed operations, for which you have been added as an additional insured.

(2) When this insurance is excess, we will have no duty under Coverages **A** or **B** to defend the insured against any "suit" if any other insurer has a duty to defend the insured against that "suit". If no other insurer defends, we will undertake to do so, but we will be entitled to the insured's rights against all those other insurers.

(3) When this insurance is excess over other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:

(a) The total amount that all such other insurance would pay for the loss in the absence of this insurance; and

(b) The total of all deductible and self-insured amounts under all that other insurance.

(4) We will share the remaining loss, if any, with any other insurance that is not described in this Excess Insurance provision and was not bought specifically to apply in excess of the Limits of Insurance shown in the Declarations of this Coverage Part.

##### c. Method Of Sharing

If all of the other insurance permits contribution by equal shares, we will follow this method also. Under this approach each insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first.

If any of the other insurance does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's share is based on the ratio of its applicable limit of insurance to the total applicable limits of insurance of all insurers.

#### 5. Premium Audit

a. We will compute all premiums for this Coverage Part in accordance with our rules and rates.

b. Premium shown in this Coverage Part as advance premium is a deposit premium only. At the close of each audit period we will compute the earned premium for that period and send notice to the first Named Insured. The due date for audit and retrospective premiums is the date shown as the due date on the bill. If the sum of the advance and audit premiums paid for the policy period is greater than the earned premium, we will return the excess to the first Named Insured.

c. The first Named Insured must keep records of the information we need for premium computation, and send us copies at such times as we may request.

#### 6. Representations

By accepting this policy, you agree:

a. The statements in the Declarations are accurate and complete;

- b. Those statements are based upon representations you made to us; and
- c. We have issued this policy in reliance upon your representations.

#### **7. Separation Of Insureds**

Except with respect to the Limits of Insurance, and any rights or duties specifically assigned in this Coverage Part to the first Named Insured, this insurance applies:

- a. As if each Named Insured were the only Named Insured; and
- b. Separately to each insured against whom claim is made or "suit" is brought.

#### **8. Transfer Of Rights Of Recovery Against Others To Us**

If the insured has rights to recover all or part of any payment we have made under this Coverage Part, those rights are transferred to us. The insured must do nothing after loss to impair them. At our request, the insured will bring "suit" or transfer those rights to us and help us enforce them.

#### **9. When We Do Not Renew**

If we decide not to renew this Coverage Part, we will mail or deliver to the first Named Insured shown in the Declarations written notice of the nonrenewal not less than 30 days before the expiration date.
